ALUMINIUM CLEANER & BRIGHTENER

Cyndan Alu Clean is a powerful cleaner and brightener for most metals including aluminium and stainless steel. It is useful for deoxidising dull, soiled and blemished metals and restores and brightens metals to original lustre.

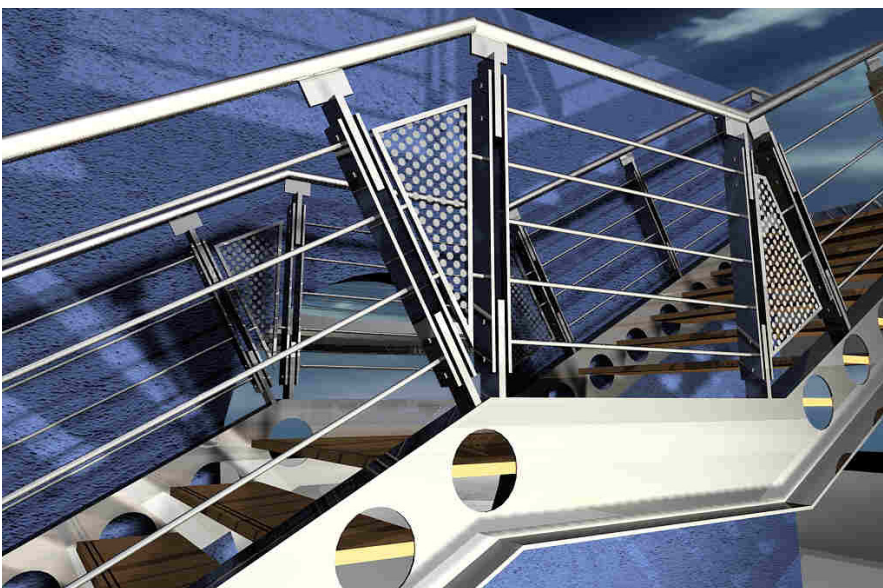

Use on trucks, buildings, tanks, wheels, bull bars, panelling, buses and trains, shipping containers, air-conditioning condensers and many other metal surfaces.

SIZE:

1L, 5L, 25L, 205L

IDEAL FOR:

- Trucks
- Buildings
- Panelling
- Transport
- Tanks
- Railings
