- ✓ No Odour

BITUMEN AND WAX REMOVER

Bituclean is easy to apply and is formulated to remove stubborn tar and bitumen from trucks, tools and machinery.

It's non flammable and non caustic. Bituclean is applied by spraying on the surface and agitating slightly. After a minute dwell time, bitumen is easily removed from the surface by wiping with a cloth or rinsing with detergent water. Safe for metal, most plastic, painted surfaces and glass.

REMOVES:

- Tar.
- Bitumen.
- Wax.
- Grease.

FROM:

- Trucks.
- Tools.
- Machinery.

FEATURES:

- Easy spray and wipe.
- Degreases.
- Dissolves Bitumen fast allowing for quick removal.
