CLEANER, DEODORISER & DISINFECTANT

Cyndan **Bravo** is a heavy duty, cleaner, deodoriser and disinfectant in one for a complete clean. It is specifically formulated to use in bathrooms, toilets and on most hard surfaces.

It's biodegradable, non-toxic, non-corrosive, and contains Eucalyptus Oil leaving a fresh scent. Use it for safe removal of dirt, grime, body fats and urine odour from bathrooms, floors & toilets in Hotels, Day Spas, Offices, B&B's, Schools and many other areas.

Bravo is a commercial strength concentrate and dilutes up to 20:1 and rinses leaving a sparkling, fresh finish.

For a once a month heavy duty clean, try Cyndan **Three In One**.

Bravo's disinfecting properties are proven to kill gram positive and gram negative bacteria such as Staphylococcus Aureus and Escherichia Coli. (E. Coli) which other cleaners can leave behind.
