

MEDIPURE HANDS

- ✓ Kills germs & bacteria
- ✓ Non fragranced
- ✓ Cleans & sanitizes without water

HAND SANITIZER AND CLEANSER

Cyndan **Medipure Hands** is a sanitizer and hand cleaner that kills germs and bacteria without the need for water. Simply apply a small amount of gel to hands and rub in.

Medipure Hands will evaporate leaving hands clean and sanitized.

Medipure Hands helps stop the spread of germs and bacteria in the workplace, particularly when hands come in contact with unhealthy material.

Medipure Hands is ideal for plumbers, animal handlers, sewage plant and waste product operators, food handlers and cleaners.

SIZE:

1L, 5L, 25L, 205L
