

MULTI PURPOSE STRIPPER

- ✓ Removes floor finishes
- ✓ Removes graffiti
- ✓ Non corrosive
- ✓ Low odour
- ✓ Fresh fragrance
- ✓ Environmentally safe

BIODEGRADABLE PAINT, GREASE, INK, CARBON AND FLOOR WAX REMOVER AND POLISHER

Cyndan Multi Purpose Stripper is a safe and effective alternative for *Chlorinated Hydrocarbon* paint removers and degreasers that cleans grouted tile floors exceptionally well.

Multi Purpose Stripper is non-corrosive, has a low odour, doesn't contain butyl solvent and is safe for the environment.

Once applied allow to react for 5 to 15 minutes without solution drying on floor, scrub with floor machine or autoscrubber and pick up spent solution then rinse with water.

Multi Purpose Stripper removes build up of floor finishes with ease and cuts down even heavily burnished films to bare floors quickly. It also effectively removes graffiti.

Multi Purpose Stripper is also very cost effective at low dilution rates of up to 1:8 for most uses as it is 45% active.
