MULTIPURPOSE DEGREASER & CLEANER

Cyndan U Beaut Truck Wash is a quick break degreaser and detergent in one safe, water based product. It is biodegradable, pH neutral, phosphate free, non caustic, non toxic, & salt free. Using the latest in surfactant technology it ensures a premium degreasing result in removing the toughest grease, grime, oil film, fuel exhaust, soot and bugs.

U Beaut Truck Wash has been developed to provide a powerful yet safe clean for all vehicles. It's pH neutrality protects the duco of your asset and is effective in bore water / hard water areas. It's streak free formula means It can be left to dry on the surface without streaking.

U Beaut Truck Wash is harmless to painted / varnished surfaces, plastic, perspex, rubber, chrome, aluminium, vinyl and tarpaulins.

Use hot or cold, by hand, in pressure washers or automatic truck wash bays. High concentrate formula offers an economical solution (can be diluted up to 20:1) and its biodegradability means its better on the environment.
