

# Soy Safe Sensitive Graffiti Remover®

Finally, a breakthrough in graffiti removers without putting people and the environment at risk.

Tough on graffiti, gentle on the environment.

The safest graffiti remover available today! Fully developed and manufactured in Australia using world leading cutting edge soy based technology.

Before

After

## Completely Safe Graffiti Removal

This revolutionary formulation using the latest patent pending soy solvent technology replaces the use of traditional toxic chemicals and contains no hazardous air pollutants, no ozone-depleting chemicals, no known carcinogens, reproductive toxins or other human health hazards.

## Tough on Graffiti

GuardIt Soy Safe Sensitive Graffiti Remover® is a powerful, safe, effective solution specifically developed for the safe removal of graffiti from Non-Porous surfaces, Painted and Unpainted surfaces, plastics, Perspex, reflective signs, timber, metal, colorbond and other non-porous substrates.

It is ready to use, non-toxic, VOC compliant and readily biodegradable.

A safe method of removing graffiti with many benefits.
