

Paving & Concrete Cleaner

Oil, Mould, Grease & Grime

GuardIT® Paving & Concrete Cleaner is a heavy duty, water based degreaser which contains revolutionary, high performance Soy solvent for the safe removal of industrial grease, oil, dirt and grime from hard surfaces including tiles, concrete, brick and other surfaces. It is also safe to use on painted and metal surfaces.

Reasons to choose Paving & Concrete Cleaner

- High performance
- Non-toxic
- Non-hazardous
- Non-corrosive
- Non-flammable
- Low foaming
- Readily bio degradable
- User friendly & safe

GUARDIT® to protect it

Low Foaming

GuardIT® Paving & Concrete Cleaner is an innovative product with excellent eco-friendly properties. It is non-toxic and readily biodegradable. Because of its low foaming properties, it's ideal for use with pressure washing equipment and auto-scrubbing machines.

Safe to Use

The product is a low odour, non-flammable, non-hazardous, non-carcinogenic and non-corrosive and has non-irritant properties.

An Eco-Friendly Solvent

Complies with Australian Standard AS4351 and is non-toxic and readily biodegradable which gives the product an excellent environmental profile.

A Powerful Solution

It is a powerful industrial strength, safe alternative solvent cleaner suitable for a wide range of applications.
