

chemical & coating solutions

# YOU'RE SAFER WITH SIQURA

**Siqura, a simple & intelligent way to kill bacteria & protect surfaces.**

It coats the surface with a microscopic protective layer for continuous protection.

continuous protection

kills 99.99% of bacteria

inhibits mould & odour

bonds to most surfaces

**SIQURA**  
the smarter clean

IDEAL TO USE AROUND CHILDREN, PETS & PLANTS.

*"If we don't have it, we'll source it"*
